5/29/74

Dear Dave,

I have this Mailgram from Don Freed, dated 5/26/74:

"Insurance problem coming to a climax Stop All that Stands in our way Stop. Will have answer this week and then contact you Stop Please inform David."

Having heard nothing from you I assume he did send you the RFK script and I have not taken time from other needs and writing a different Watergate book for reading it myself.

Hope youw ife is coming along well.

Sincerely,
